I Sell Real Estate

Hi, I'm Jon Hartman, a native of McDowell County, where I currently reside with my wife Jennifer and our two daughters, McKenzie, Allie and a son on the way.. Jen and I met in the restaurant business when we were 21 years old and have been involved with restaurants in one way or another ever since. While working in sales for a food distributor, I met Holly here at The Deli.

As time carried on the opportunity to own The Deli became ours to take, so we took it. With that being said, we would like to thank Holly and her family, not only for a lot of great recipes but a great spot in a great town that owns my greatest memories. We would also like to thank all of our loyal customers for all your support and our continued growth because you are what makes it happen. Thanks again!
